

Locker Room Usage Agreement

As a student of COA Middle School and Futures High School, I understand that I have a responsibility to maintain my locker, keep it clean, and use it for PE purposes only.

Boys' Locker room

I understand, that

- I am only allowed to use the locker issued to me for the period I have PE.
- I can not use the locker for the entire day or more than just one period.
- Other students in other periods will be using the locker and failure to remove my lock from the locker, will result in my lock being cut, and the contents being removed.
- If I damage or destroy my locker, I can have my locker use privilege taken away.
- I am responsible for providing my own lock.

Girls' Locker room

I understand that

- I will be issued a specific locker number and I must use that locker and only that locker, even if there are others available.
- I will not use the locker for the storage of personal items or for books or class materials.
- The locker rooms are for PE use only.
- I can store my PE clothes during the week, but am responsible to remove them over the weekend.
- If I don't follow rules set aside, that my locker room privileges will be taken away.
- I must maintain my locker and keep it clean.
- I am responsible for providing my own lock.

It is clear to me that I will not be issued a locker until I sign the usage agreement and follow the outlined items.
