

Athletic Department Value, Mission, Vision, and Goals

Futures High School Department of Athletics recognizes a commitment to serve both its student-athletes and the School. Its primary commitment is to provide an opportunity for student-athletes to fully develop their academic and athletic potential. Through practice, training and competition, the department strives to instill in each student-athlete:

- Good sportsmanship and personal integrity.
- Loyalty to the group and the ability to function with others as a team.
- Appreciation for the benefits of hard work, motivation and perseverance in both winning and losing situations.
- Pride in accomplishments gained through fair and honest means.

A strong athletic program does much to generate pride and enthusiasm in students, alumni, the School as a whole, and the community which the School serves. The public relations, goodwill and service provided by a strong athletic program benefit Futures High in ways which cannot be measured in strictly economic terms. Through its athletic program, the School's accomplishments and academic goals are made known to the public.

Based upon this philosophy and with ongoing support from the Principle and Administration, the following values, mission statement, vision statement and strategic goals have been established.
