

Dear Futures HS Families,

We set up to use new program for communication called Parent Square for posts, direct messaging, and online form verifications. It is necessary for you to register and create an account in Parent Square in order to verify and submit important enrollment forms.

Parent Square is an easy to use program that is available through their website www.parentsquare.com or through their free app (apple or android). To set up your account please follow the steps below:

1. Go to the parent square website or the log in page after downloading the free app.
2. Under Sign Up/Create Password type in the email you provided the school
3. You will get the red notification telling you your account needs to be activated. This means Parent Square sent you an activation email to the email you provided.

Hi [redacted]

[redacted] invites you to join
ParentSquare

[Activate your account](#)

ParentSquare Admin invites you to join ParentSquare at [redacted]. To activate your account and confirm that we have the correct email for you, please click the link above.

If you do not have a child at [redacted] or are not associated with the school, please contact [redacted] at [redacted].

We are very happy to have you on board. Thank you for joining!

Please do not reply to this email.

5. After clicking the activate button you will be taken to a screen where you will verify your information and create a password. You will need to click that you agree to the terms and conditions before pressing the green “register” button.

The image shows a mobile phone screen displaying the ParentSquare registration page. At the top, the status bar shows the time 2:26, signal strength, LTE, and battery level. Below the status bar, there is a navigation bar with a hamburger menu icon on the left and the ParentSquare logo on the right. The main content area starts with a "Welcome" message followed by a redacted name. Below this is a small empty input field. A message reads "Please complete your registration to begin using ParentSquare in" followed by another redacted input field. The form then has sections for "Name" (two redacted input fields), "Email" (one redacted input field), "Password" (one empty input field), and "Confirm Password" (one empty input field). At the bottom of the form is a checkbox labeled "I agree to the terms and conditions" which is currently unchecked. Below the checkbox is a prominent green "Register" button. The entire form is set against a light gray background.

6. Once registration is complete, you will be automatically logged into a dashboard where you can see all of your students who are enrolled at Futures HS. This will be a great place to see posts from the school, send messages to your teachers/administrators, and interact with the school.

Below are the links to a few YouTube videos created by the Parent Square Company that will give you more great information around this program!

Thank you!
